You wanna go but, think you should stay here
Can't touch my toes, but I can be a saviour
Know that it's been said before
But I'll say it again, louder, for sure

I made a promise, I might've messed up
I said I'd be there, but I'll play dress up
I know if you'll just hold my hand
Then you'll understand
Yeah, you'll understand

Don't think I don't wanna hear your voice
(Your voice, your, your voice!)
'Cause, all I wanted was your voice
But my head was clogged, and my toes were numb
I got a million excuses sitting under my thumb
And we know
You wanna let go

I know you're hurtin', you need a band-aid
You got a cut and I was the blade
I wanna be the thing you need
But I'm just a little stuck in my sorry routine

Remember when we would spend all night
On the kitchen floor, laughin' 'bout some fight
I wish that I could drink your tea
But some people change when they move to the valley

Don't think I don't wanna hear your voice
(Your voice, your, your voice!)
'Cause, all I wanted was your voice
But my head was clogged, and my toes were numb
I got a million excuses on the tip of my tongue
And we know
You wanna let go

Oh, oh
I love you, I love you, I love you, I'm sorry
I love you, I love you, I love you, I'm sorry
I'm trying, I'm trying, I'm trying, but I'm lying
I love you, I love you
I love you, I'm so sorry!

Don't think I don't wanna hear your voice
(Your voice, your, your voice!)
'Cause, all I wanted was your voice
But my head was clogged, and my toes were numb
I've got a million excuses, waiting for the run
And we know
Yeah, we know
You wanna let go

# dress up

## *the regrettes*

*narrative*: a girl going through a breakup reflects on how she feels about the situation. she is optimistic about her future regardless.

*performance:* happy and lighthearted dancey video, not highly narrative based, mostly performative
