Shoot Title:	Digipak shoot 1	
Date of Meeting:	21/11/16	
Date of Shoot:	24/11/16	
Location(s) and times of Shoots:	Lecture Theatre - Thursday 8:50-9:40	
Outline of performance/ narrative	<p>Emma, the lead singer, is a porcaline doll, this will be the image for our front cover of the digipak so we will aim to get an image from the side with her looking up to the top left hand corner.</p> <p>We will experiment with angles and shot distance so that we get the most effective image for our digipak.</p> <p>We will also experiment with a broken mirror to use for another pannel of the digipak. We hope to get some shots of her standing on the mirror as if she is breaking it and other just of the cracks, again playing around with our use of angles and distance.</p>
