~~NEGATIVE~~

- HOW EFFECTIVE WILL THE HOOK PHOTO BE?
- will the photo link to the song or title of group?
- Not keen on the groups on the covers...
- More photographs instead of drawings
- I think group shot is boring and not easy
- Hook image is not quirky enough (don't like half profile)
- Hooks not composed well to original shot.

POSITIVE

- Good connotations to artist's name through actual drawing of catfish
- It is creative
- visually neat, looks good
- Follows the theme well
- I like the idea of the illustration of the fish on top of the photograph
- I like the front cover as I love waves + surf
- There is a variety of shot distances.
- Looks nice.
- interesting to look at.
- All conventions comply well to the quincy aqua theme.
