

WHAT IS GOOD AND WHAT IS BAD?

	Good	Bad	OK
MES - COSTUMES		Andrews is wearing his school uniform, and there's a man wearing a dress.	
HOLDING A SHOT STEADY	The shot of the band is a good steady shot.		
LIP SYNC		Some lip syncing is good and the majority is bad, especially travis and andrews.	
LOCATION	Good locations used especially the church and the place of robbery.		
VARIETY OF SHOT DISTANCES			There are loads of good shots, but if you used more angles and variants of shots, such as close up, extreme close up and aerial shot would have helped improve it.
VARIETY OF ANGLES			There are loads of good shots, but if you used more angles and variants of shots, such as close up, extreme close up and aerial shot would have helped improve it.
VARIETY OF MOVEMENT			There were some, not a lot but the ones used were good.
ACTING		Acting was not all that good, especially the robbery scene.	
MONEY SHOTS - CLOSE UP AND LONG SHOTS		Mostly shot in mid shot, did use a few close ups but not enough.	
MUSICAL		No one in your band	

INSTRUMENT CREDIBILITY -		can play music except the guy in the dress, like you had Travis who I know for a fact can play drums, so why not put him on drums.	
FILTER		No filter.	
EXTRAORDINARY STAR IMAGE	Yeh Andrew seems like a rock star ahahaha.		
EDIT TO THE BEAT			Yeh good at the start with Andrew starting to sing.
TRANSITIONS			Alright, nothing to special though.
THE BEST ELEMENT WAS.....	The church edit, that was class		
THE BIGGEST ROOKIE ERROR WAS.....		Your lip syncing was not on point.
